14. No goods shall be allowed to leave the warehouse until storage fee has been paid thereon under the following rules:—

(*a*) Goods shall be allowed to remain 24 hours free of charge counted from sunrise to sunrise.

(*b*) After that period single rates as in the following table shall be charged for seven days or portion thereof:—

	Names of articles	Per day Rs.	a.	p.
1	Jaggery pendi each	0	0	1
2	Piece goods or gunny bags per bale or bundle ...	0	1	0
3	Betel leaves per pendi of 20,000 leaves, or portion ...	0	0	3
4	Oil and other tins or drums each ...	0	0	2
5	Bag, case or bundle each full of octroiable goods or portion	0	0	6
6	Other articles (irrespective of quantity) ...	0	0	6

(*c*) Double these rates shall be charged after seven days, provided that the President, may, in his discretion, allow a reduction in, or exemption from, such double rates.

(*d*) The date of admission and removal of goods shall reckon as one day and Sundays and closed holidays shall not be taken into account in reckoning the date from which fees under each class shall be payable. When delay is caused by the inability of the Officer in charge of the deposit room to examine and pass the goods, such delay shall not be reckoned.

15. The President may permit any wholesale dealer to occupy a room in the Bonded Warehouse for the storing of dutiable articles intended for sale to retail dealers in the Municipality and may make such rules regarding the occupation of such rooms as may from time to time be found necessary.

16. When goods stored by the wholesale dealer in the Bonded Warehouse under the above rule are issued on payment of duty, such allowance may be made on the original weight on account of reduction of weight owing to driage or wastage as may from time to time be fixed by the President.

17. All perishable commodities remaining uncleared or unclaimed after 48 hours shall be sold by public auction to the highest bidder at the warehouse. All other goods remaining uncleared or unclaimed for a longer period than three months shall be sold in like manner, provided that, before selling such goods notice of that fact shall be posted for seven days at the Bonded Warehouse and at the Municipal Office and provided that goods shall be sold earlier when the storage fees are likely to exceed their value.

18. When any goods are sold under Rule 17 of the Octroi rules the sale proceeds shall be credited to the Municipal Funds, in payment of duty and storage fees due in respect thereof, provided that if the amount realised by the sale exceeds the amount so due, the balance shall be kept in deposit for one year and any claims, for such balance received during that time shall be duly considered by the President. At the expiry of one year, or after all claims received during that period have been duly disposed off, the balance shall be credited to the Municipal Funds. No claims shall be admitted after the said period of one year, except by special permission of the Council.

19. The Municipal Council shall not be responsible for any damage that may be caused to goods deposited in the deposit room while such goods are being passed into or out of the deposit room or while they remain therein unless *such damage is proved to have been caused by the wilful* neglect of the deposit room keeper or other person arged with the safe custody of the goods.

20. Any person may, with the sanction of the President be permitted to use any place as of Bonded Warehouse on payment of the cost of such establishment and subject to such conditions, as may, in each case, be fixed by the President.

21. *Exemptions.*—In the following cases no octroi shall be levied.

(i) Goods belonging to the Government and covered by a certificate by the Head of the Department.

(ii) Articles brought into Town for private use in small quantities:—

(1) 6 (fresh) cocoanuts, (2) 6 (dry) cocoanuts, (3) 100 betel leaves, (4) 5 seers of jaggery, (5) 2½ seers ghee, (6) 2½ seers oil other than Kerosene oil, (7) 2½ seers sugar, (8) 15 seers tobaco and (9 2 cloths.

Notification dated 26th April 1956.

No. M. L. C. 34—56-57. It is hereby notified for the imformation of the public that the town Municipal Council, Gudibanda have at their meeting held on 23rd day of March 1956, resolved that the following Model Bye-laws and rules farmed by Government from time to time may be adopted by this Municipality with necessary altrations applicable to this Municipality.

Any inhabitants of the Municipality or any other persons objecting to the proposed Bye-laws and rules may within one month from the date of publication of this notification in the official *Mysore Gazette* send his objection in writing to the Municipal Council stating reasons thereof. Objections received after the prescribed time will not be considered.

In exercise of the powers conferred by Section 48 (1) (h) of the Mysore Town Municipalities Act, 1951 (Mysore Act XXII of 1951) and in conformity to the Government Notification No. L. 19846—Ml. 152-52-23, dated 14th February 1953, the Town Municipal Council, Gudibanda, is pleased to make the following Bye-laws, for regulating sanitation and conservancy in Gudibanda Town.

BYE-LAWS.

1. Every privy or latrine that is to be constructed in the Municipal limits should conform to the daily removal system only.

2. The owner or occupier shall construct a new privy if there is not one within a reasonable time fixed by the President.

3. The privies under pit system, if any, in the private premises, should be changed into the daily removal system within a reasonable time fixed by the President.

4. The opening of the privy should always be towards the conservancy lane and should be constructed according to the approved plan and after obtaining a license from the President or the officer authorised by him.

5. The opening of the privy should be capable of daily removal from outside through the conservancy lane and should be provided with good shutters or trap doors so as to close the opening completely.

6. All trap doors or shutters for the privies should be preferably made of iron plates not less than one-eighth of an inch in thickness, soaked in tar both sides. The shutters to be trap doors should be fixed so tight to the door frame that no flies or any other disease-carrying insects have an access.

7. The sides and floor of the chamber of the receptacle shall be constructed of hard smooth stones or brick works plastered with cement or other non-absorbant material and the floor shall be so sloped that any liquid discharged on it shall rapidly and easily flow to the outlet.

8. Every privy shall be provided with a movable receptacle to receive nightsoil.

9. Arrangements must be made for the separation of urine from fæcal matter.

10. The owner or occupier of any land on which there is a privy must shut out such privy by sufficient roof and enclosure by non-combustible material or by wall from the view of person passing by or resident in the neighbourhood.

11. The floor inside the latrine must be made impervious by cement concrete and plastered with cement or by flooring with Cuddaph or burnt slabs, with neat cement pointing so that water and other watery substance may not accumulate inside.

12. Every privy should be so constructed that the bottom of the receptacle for nightsoil, urine or ablution water shall be at level at least two feet above the ground level.

13. Every person who shall construct a new privy shall construct the same in such a way that the nightsoil receptacle shall be at a distance of 10 feet from any public road or place of public resort, 20 feet away from any kitchen, 25 feet from any place used as human habitation, and 60 feet from any well, tank or stream, the water of which is for used for drinking purposes, provided that where the maintenance of any such distance is absolutely impossible, the President, may, if he thinks no injury to

vy, sanction the reduction of such distance down to f that prescribed above.

4. A pucca drain, with cement concrete and plastered h cement with proper slope must be constructed and water of the privy should be left into the conservancy in through a drain.

5. Any person infringing these bye-laws is liable on viction before a magistrate to a fine not exceeding 50.

Notification dated 26th April 1956.

Any inhabitant of the Municipality or any other person objecting to the proposed Bye-laws and Rules, may, within one month from the date of publication of the Notification in the official *Mysore Gazette*, send his objection in writing to the Municipal Council, stating reasons thereof. Objections received after the prescribed time will not be considered.

Bye-laws for regulating the use of Public Parks, Gardens and Open Spaces framed under Section 41 (1) (*x*) of the Mysore Town Municipalities Act, 1951, by the Town

150

Bye-laws for regulating the use of Public Parks, Gardens and Open Spaces.

1. In these bye-laws, the words 'public parks, gardens and open spaces, shall mean such public parks, gardens and open spaces as are vested in or are under the control of the Municipal Council.

2. *Parks, Gardens or Open Spaces when to be kept open.*—Every public park, garden and open space shall remain open to the public between such hours as may be notified by the President on the Notice Board to be placed in some conspicuous part of the entrance to such park, garden or open space.

3. *Public Entertainment, Ceremony or Exhibition.*—No public entertainment, ceremony or exhibition shall be held in a public park, garden or open space, except after permission has been obtained from or given by the President in that behalf. Such park, garden or open space shall be kept open or closed for such period and upon such terms and conditions as may be considered expedient by the President and notified in the manner mentioned in Bye-law No. 2 or by notification in one or more local newspapers. This shall not apply to meetings that come under Bye-law No 4.

4. *Public meetings in parks etc.*—No public meetings shall be held in any public park or garden except in such portion thereof as is set apart by the Municipal Council for the purpose of such meetings, and in any public park or garden when any such portion is not set apart, no public meeting shall be held without the permission of the President.

5. *Entrance or Exit.*—No person shall enter or quit a public park, garden or open space except by one of the gates or other opening, if any, provided for the purpose.

6. *Prohibition against defacing or displacing Notice Boards* —No person shall deface or displace any board or tablet in a public park, garden or open space wherein any notice or bye-law of the Municipal Council is exhibited.

7. *Prohibition against bringing of animals.*—No person shall bring into a public park, garden or open space any animal whatsoever except dog in leash or suffer to remain therein any animal belonging to him or in his charge.

8. *Posting handbills.*—No person shall, except with the written permission of the President, post or affix any bill, placard or notice in any part of or upon any tree, in a public park, garden or open space nor shall any handbills be distributed in any public park, garden or open space, except with the permission of the President.

9. *Prohibition against removing or disturbing soil, etc.*—No person otherwise than in the discharge of his official duty as a servant of the Municipality, shall remove or disturb any soil, turf or flowerbed or pluck any flower or leaf in a public park, garden or open space.

10. *Damaging property or throwing rubbish.*—No person shall destroy, injure, deface, soil or defile any part of any wall, fence, barrier or railings in or enclosing any public park, garden or open space or any part of any seat, building, monument, work of art, ornament or decoration or any other structure or erection of any Municipal property in a public park, garden or open space.

11. *Throwing stones, etc.*—No person shall throw on, or discharge into a public park, garden or open space, stones or other missiles.

12. *Prohibiting the climbing of trees, walls, etc.*—No person shall climb any tree, wall, fence, barrier, railings or post in or enclosing a public park, garden or open space.

13. *Games.*—No game shall be played in a public park, garden or open space, except subject to such conditions, as may, from time to time, be prescribed by the President and notified on a notice board placed in some conspicuous part of the entrance of the public park, garden or open space.

14. *Drinking.*—No person shall drink within a public park, garden or open space any intoxicating liquor.

15. *Erections.*—Except with the written permission of the President, no person shall erect any post, rail, fence, pole, tent, booth, stand, building or other structure in a public park, garden or open space.

16. *Sale of articles.*—No person shall, except with the written permission of the President, sell or offer or expose for sale or left to hire or offer or expose for letting to hire any commodity or article in a public park, garden or open space.

17. *Drying or bleaching linen.*—No person shall spread or deposit any linen or other fabric in a public park, garden or open space for the purpose of drying or bleaching the same.

18. *Obstructing or disturbing servants on duty and others.*—No person shall wilfully obstruct, disturb, or interrupt any other person in the proper use or enjoyment of a public park, garden or open space or wilfully obstruct, disturb or interrupt any officer or servant of the Municipality or any person employed by the Municipality in the execution of his duty.

19. *Nuisance.*—No person shall commit nuisance in public park, garden or open space.

20. *Creating disturbance or causing annoyance to the public.*—No person shall create disturbance or cause annoyance to the public in a public park, garden or open space or use abusive, obscene or profane language.

21. *Prohibition of entry of person suffering from loathsome or infectious disease.*—No person who is suffering from any loathsome or infectious disease shall enter a public park, garden or open space.

22. *Prohibition of Grazing, etc., of animals in public parks.*—No person shall graze or feed any animals, or suffer any animal to be grazed on fed on any grass or tree in any public park, garden or open space.

23. *Prohibition of writing, etc., on trees.*—No person shall write, paint, cut or carve or affix anything on any tree in any public park, garden or open space.

24. *Prohibition of driving nails, etc., into trees.*—No person shall drive any nail or ring or any other similar article into any tree in any public park, garden or open space.

25. *Prohibition of tethering animals to trees; etc.*—No person shall tether any animal to any tree or fence or post in or pertaining to, any public park, garden or open space.

26. *Prohibition of bathing, etc., in tanks and ponds; etc.*—No person shall bathe or wash clothes in any tank, pond or ornamental water storage in any public park, or garden where a notice to that effect is put up by the Municipal Council.

27. *Penalty for breach of bye-laws.*—Whoever commits a breach of any of the above bye-laws shall, on conviction before a Magistrate, be punishable with a fine which may extend to rupees twenty-five.

Notification dated 26th April 1956.

7. *Foundation of walls.*—The footings of the walls and the posts of the ground floor of the building proposed to be erected should rest on the solid ground or upon a sufficient thickness of concrete or upon some solid and sufficient substructures as a foundation:

Provided that where a solid rock is met with at or near the surface of the site of such buildings, that is within three feet of the level of the base of the wall the footings may be omitted if the surface of the rock be properly and sufficiently cleaned and stepped or jagged to receive the first course of masonry.

8. *Plinth.*—The height of the plinth shall in the case of buildings which are to be built nearer to a street be not less than 1½ feet above the level of the street on which it abuts and in the case of buildings which are to be built farther to a street it shall not be below such height as may be fixed by the Municipal Council.

9. *Insertion of damp proof courses.*—In the case of buildings which in the opinion of Municipal Council are likely to be damp on account of the high level of the subsoil water in the site, if the Municipal Council deems if necessary damp proof courses which shall consist of stone slabs laid in cement vitrified bricks or any other durable material impervious to moisture shall be laid between the foot of the walls of the ground floor and the top of basement which shall be above the level of the adjoining ground.

10. *Chimney.*—Every person erecting a chimney shall so construct it that upper outlet shall be at least 5 feet above the roof of the house.

11. *Height and area of the room.*—(*a*) The minimum height of every room intended to be inhabited in a building except a room in the roof thereof shall be not less than 8 feet from the floor to the ceiling.

(*b*) The room in the roof shall have an average height of 7 feet from the floor to the ceiling.

(*c*) The ground area of a dwelling room shall not be less than 64 sq. feet and no room shall be built which is less than 30 sq. feet in superficial area.

Explanation.—A partition wall not more than four feet high in a room shall not be considered to divide that room so as to make it into two rooms.

12. *Ventilation.*—Every such room shall be provided with ventilation by means of doors and windows, which open directly on to external air spaces not less than two and half feet in width and which have an aggregate area of openings not less than one-tenth of the superficial area of that side of the room, which faces an open space; provision shall be made for openings in this room so as to provide a current of air whenever desirable and an opening for foul air, shall always be kept near the top of the room.

13. *Height of the building.*—No person erecting a building which abuts on a street, shall so construct it that any point of it is at a height of greater than twice the width of the street immediately in front of it, including open spaces, if any: provided that nothing in this bye-law shall debar any person from reconstructing any building which had stood within two years on the same site, on the model of and with the same dimensions as the original building.

14. *Aerial projections.*—No person who constructs, alters or adds to a building within the meaning of Section 112 of the Mysore Town Municipalities Act, 1951, shall project aerially, beyond the limits of his site, any part of his buildings, temporary or permanent, so as to make it encroach upon or overhang any municipal road or lane, or the margin thereof or any other municipal land, except to the extent to which permission may expressly be granted by the municipal council.

15. All water spouts to drain roof or other water shall be led down to the ground touching the wall and shall not be so constructed as to discharge water to the inconvenience or annoyance of passer-by or to the damage of municipal property.

16. No shutters of stables or other building shall be so constructed as to project on municipal land when left open.

17. *Inspection.*—For the purpose of facilitating inspection, the following shall be the recognised stages in the construction of any building:—

(i) digging for the foundation,
(ii) filling in the foundation and raising the basement walls
(iii) superstructure, and
(iv) all subsequent work.

18. The Health Inspectors or the Executive Officer of the Municipality shall be competent to inspect buildings under construction at all reasonable hours during the day and where a license has been granted to satisfy themselves that the work under progress is in conformity with the terms of the license and not contrary to the bye-laws.

19. *Drainage to be provided in certain cases.*—In localities where facilities for drainage and daily conservancy have not been created on account of such localities not having been taken up for laying them out into house sites, no dwelling houses shall be constructed unless sufficient facilities for drainage and daily conservancy are provided by the owner of the land to the satisfaction of the Municipal Council.

20. *Area of the site built upon.*—As a rule on all sites measuring 100′ × 100′ or more, no more than half the site shall be built upon. In other cases no more than two-thirds of the site shall be built upon. In the case of sites and houses abutting upon the roads hereunder specified the Municipal Council may, in its discretion, allow a larger extent than half or two-thirds to be built upon. Houses shall not ordinarily be built contiguous to each other, except when the width of the site is less than 40 feet, wherever practicable a minimum clear space as fixed by the Municipal Council shall be left between every two houses. The minimum in no case shall be less than five feet wide (to be specified by the Municipal Council concerned).

21. *Prohibition of mud walls.*—Within the town limits no wall of any building shall, except with the permission of the Municipal Council, be made of mud alone.

22. *Building plot to be levelled.*—The building plot of every building shall be levelled in such manner that rain water may be rapidly drain off into a water course or a Municipal drain.

GENERAL.

23. No building site shall be surrounded by a hedge of lantana, aloe, prickly pear or other objectionable plant, or by a fence of barbed iron wire.

24. No pits can be excavated in the sites allotted for building dwelling houses.

25. Every house shall have a decent frontage and no perishable or inflammable material shall be used for construction.

26. No person shall construct over a privy new or old any room or structure of any description, except another privy, or bath room.

27. If any person has any doubt or difficulty as to the true intent or meaning of any matter connected with these bye-laws, of the requirements thereof he may before giving notice in writing, of his intention to erect or re-erect any building, apply to the President, who shall upon receipt of such application, give the said person within a week of such information as in the circumstances may be necessary.

28. *Notice of completion of building.*—Every person who shall erect a building shall within one month after the completion of the erection of such building send or cause to be delivered or sent to the President at his office, notice in writing of the completion of the erection of such building.

29. *Special conditions to individual cases.*—Notwithstanding anything contained in these bye-laws it shall be within the discretion of the Municipal Council to attach special conditions to individual cases under Section 112 (2) provided that they are not in consistent with the provisions of the Act.

30. Every place other than a water closet or bath room situated within any house, building or enclosure and habitually used for the purpose of nature or keeping

uman excreta, shall be considered to be a privy or latrine ithin the meaning of this bye-law.

31. Every person who shall erect a new building as hattrams, agraharams and tenements, etc., shall in connection with such buildings construct such number of rivies and in such manner as shall be prescribed in each ase by the Municipal Council :

Provided the number of privies shall not, in any ase be less than two, one for men and another for women.

32. A person who shall construct a new privy whether i connection with a building or not shall construct such rivy upon such site or in such position and manner only s shall be approved by the Municipal Council.

33. The foot of every latrine shall be made of cement r of asphalt or of bastard asphalt and laid on a bed of oncrete three inches thick, and shall be so sloped, drained nd constructed as to carry away the fluid with facility nto the latrine drain.

34. Every latrine shall be provided with a seat so made s to compel the excreta to fall entirely into a suitable pan r receptacle of sufficient capacity placed beneath it.

35. The walls and other masonry of the building shall e of stone in chunam mortar and plastered with cement o inch in thickness from the floor level up to the height of wo feet above the seat level.

36. Every latrine shall be provided with a separate ntrance if required by the Municipal Council for the entry f scavengers for the purpose of conservancy.

37. Every latrine shall be provided with a "V" shaped onnected drain sufficiently large, well laid, and water to revent its contents from overflowing or stagnate oaking into the ground such drains shall terminate n iron pipe so that the contents of the drain may fall irectly into a receptacle or Municipal drain.

38. All such drains shall be so constructed as to ischarge their contents in a proper manner—

(*i*) into a municipal drain approved by the Municipal Council;

(*ii*) into a movable receptacle or bucket kept in the istern constructed at the extremity of the drain approved y the Municipal Council.

39. Every person who shall construct a cesspool connection with privy, shall construct such cesspools in such a manner, and in such a position as to admit of contents of such cesspool being removed therefrom and from the premises to which such cesspool may belong without being carried through any dwelling house or public building or any building in which any person may be r may intend to be employed in any manufacture, trade or business.

40. Every person who shall construct a cesspool, shall construct the same upon such site or in such manner and with such materials only as shall be approved by the Municipal Council.

41. He shall construct such cesspool in such a manner that it shall have a capacity of not less than ten cubic feet, and in any case when there are more than three seats in the privy, in such a manner that it shall have a capacity of not less than three cubic feet for every seat in such privy.

Notification dated. 26th April 1956. 159

No. M. L. C. 50—56-57. It is hereby notified for ıe information of the public that the Town Municipal ɔuncil, Gudibanda, have at their meeting held on 23rd ıy of March 1956 resolved that the following Model Bye-ws and Ruls framed by Government from time to time ay be adopted by this Municipality with necessary terations applicable to this Municipality.

Any inhabitants of the Municipality or any other person ɔjecting to the proposed Bye-laws and Rules may within ıe month from the date of publication of the notification ı the official *Mysore Gazette* send his objection in writing ɔ the Municipal Council stating reasons thereof objections ɔceived after the prescribed time will not be considered.

ɔules adopted by Gudibanda Town Municipal Council under Section 46 (2) of the Mysore Town Municipalities Act, 1951, for the levy and recovery of octroi under Section 61 (b) (iv) of the said Act based on the Model Rules framed by Government in Notification No. L. 14388—Ml. 152-52-19, dated 24th November 1952.

Octroi Rules.

1. Octroi shall be levied in respect of animals or goods ɔr both specified in the schedule to these rules at the rates ıoted against each.

2. The octroi shall be paid at the time of import of the ɔnimals or the goods to the octroi mutsaddi in charge of he octroi ookad. In case of disagreement as to the ɔmount of octroi duty payable by the importer of goods mported within the octroi limits, the mutsaddi in charge of ɔhe ookad shall cause the importer to take the goods before ɔhe President or Vice-President or the Executive Officer for ɔhe settlement of the duty to be paid.

3. When the goods have been examined at the octroi ɔokads a pass in duplicate for such of the goods as are liable ɔo octroi duty shall be furnished to the importer by the ɔctroi mutsaddi on receiving such pass, the importer shall ɔorthwith bring the taxable goods to the central octroi office ıccompanied by a peon ; provided that if the duty to which the goods are liable does not exceed five rupees, the ɔctroi mutsaddi may receive such duty and give to the ɔmporter a permit showing the nature and quantity of the goods and the duty received : provided also, that in the ɔase of goods imported by railway, the inspector or other ɔfficer in-charge of the octroi post at the railway station may, in the same manner, receive duty not exceeding five rupees.

4. When goods accompanied by a pass as aforesaid are brought to the central office, they may be unloaded and weighed or counted by the officer-in-charge of the octroi office upon ascertainment of the amoumt of octroi payable on the goods, the importer shall either pay the amount due and receive permit for the removal of the goods or shall deposit the same in the octroi office. When the duty is paid as above, a permit shall be granted by the officer-in-charge of the central octroi office for the removal of the goods showing the quantity of weight of the goods, the duty paid in respect thereof and the date of paymen. The fact of the receipt shall also be noted on each copy of the duplicat pass, one copy of which shall be filed in the office and one copy returned to the octroi post from which it was received. In case the importer wishes to re-export the goods at once, he shall do so only after obtaining a free export pass subjecting the goods to the escort of an octroi stbordinate.

5. With a view, to facilitating the appraieement of the valne of goods when the tax is assessed on value, the importer may be called upon to produce the invoice of the goods for the inspection of the officer-in-charge of the central octroi office, whenever the invoice produced by an importer is in a language other than English or Kannada, he shall produce a true copy of such iuvoice translated into English or Kannada and verified by the importer.

In case the importer does not produce an invoice he shall give a declaration in writing regarding the quantity number, weight, value, etc., of the article, for clearance of octroi duty should the importer fail or refuse produce the invoice or if the invoice or the declaration produced appears to the incharge officer of the central octroi office to be false or officer in-charge of the central octroi office, at current rates octroi levied and accordingly.

Explanation.—When the appraisement of the value of goods is made on the basis of the invoice the value shall include all expenses such as packing charges freight charges, cart hire, etc., less trade discount shown in the invoice.

6 With the previous approval of the President in each case any carrying agent through whom goods are imported on behalf of person resident within the Municipality, or any wholesale importer may, on depositing as security such amount not being less than Rs. 250 as may be fixed by the President, be exempted from producing the goods imported by him or through his agency for inspection at the central octroi office, provided that he makes arrangements, satisfactory, to the President for the supply to the Municipal Council of correct and detailed lists of all such goods with the names of the consignees in each case. Every such agent shall be responsible to the extent of his deposit for the payment of octroi on all goods which may have left his permises without octroi having been paid.

Provided that the President may at any time cancel such exemption by giving notice in writing to such agent or importer and return to him the amount of his deposit or such portion thereof as may remain to his credit r may in any case require such agent or importer to produce any such goods for inspection at the central octroi office.

Every deposit holder under this bye-law shall submit on or before 3rd of every month the stock accounts of the previous month for verification of the duitable articles.

Deposit Room.—Central octroi office (bonded ware-house).

7. The Municipal Council shall provide a bonded ware-house in the central octroi office for the custody of goods which may be deposited under rule 3 of the octroi rules.

8. The bonded warehouse shall be open for the transaction of business from 11 A.M. to 5 P.M. daily except on Sundays and Holidays authorised by the President. Arrangements shall, however, be made, by the officer-in-charge of the octroi office for dealing with perishable articles such as-betel leaves on such days.

9. Any important depositing goods in the Bonded Warehouse shall unless the officer-in-charge of the octroi office has previously by weighing, counting, or appraising as ascertained the amount of octroi payable thereon, give a declaration in the form appended (Schedule No. 2) of the description, weight, quantity and if necessary of the value of the goods.

10. A receipt in the form appended (Schedule No. 3). shall be given by the officer-in-charge of the Central Octroi office for all the goods deposited in the Bonded Warehouse and a register of all such goods shall be maintained.

11. The receipt given by the Octroi Department for depositing the goods should be returned before taking delivery of the articles to which it refers ; otherwise the officer-in-charge of the central octroi office, may refuse to deliver the articles.

12. If the depositor does not himself take delivery of the articles deposited in the octroi office, he must endorse on the receipt a request for delivery to the person to whom he wishes it to be made and if the receipt is not produced, the delivery of the goods may at the discretion of the officer-in-charge of the octroi office be withheld until the person entitled in his opinion to receive the same has given an indemnity to the satisfaction of the officer-in-charge of the octroi office.

13. Any person who had deposited goods in the Bonded Warehouse may break bulk or change the packing thereof on application to the officer in-charge of the warehouse or may, on paying full duty thereon import such goods into the municipal limits covered by a permit or may export such goods immediately after the receipt into the octroi office free covered by an export pass subject to the escort of an octroi subordinate ; provided that new packages covered by such pass shall if possible, before they are taken from the Warehouse be stamped by the officer in charge, so as to show that they are under deposit.

The export pass shall be in triplicate, the original being retained by the officer-in-charge of the warehouse, and the duplicate and triplicate delivered to the exporter.

14. No goods shall be allowed to leave the warehouse until storage fee has been paid thereon under the

(*a*) Goods shall be allowed to remain 24 hours free of charge counted from sunrise to sunrise.

(*b*) After that period single rates as in the following table shall be charged for 7 days or portions thereof :—

Sl. No.	Kind of goods	Rate Rs.	a.	p.

Note.—Maund means 24 lbs. for purposes of this bye-law.

(*c*) Double these rates shall be charged after 7 days provided that the President may in his discretion allow a reduction in or exemption from such double rates.

(*d*) The date of admission and removal of goods shall reckon as one day, and Sundays and the closed Holidayss hall not be taken into account in reckoning the date from which fees under each class shall be payable, when delay is caused by the inability of the officer-in-charge of the deposit room to examine and pass the goods, such delay shall not be reckoned.

15. The President may permit any wholesale dealer to occupy a room in the bonded warehouse for the storing of dutiable articles intended for sale to retail dealers in the Municipality and may make such rules regarding the occupation of such rooms as may from time to time be found necessary.

16. When goods stored by the wholesals dealer in the bonded warehouse under the above rules are issued on payment of duty such allowance may be made on the original weight on account of reduction of weight owing to driage or wastage as may from time to time be fixed by the President.

17. All perishable commodities remaining uncleared or unclaimed after 48 hours shall be sold by public auction to the highest bidder at the warehouse. All other goods remaining uncleared or unclaimed for a longer period than three months shall be sold in like manner provided that, before selling such goods notice of that fact shall be posted for seven days at the Bonded Warehouse and at the Municipal Office and provided that goods shall be sold earlier when the storage fees are likely to exceed their value.

18. When any goods are sold under rule 17 of the Octroi Rules, the sale proceeds shall be credited to the Municipal funds, on payment of duty and storage fees due in respect thereof : provided that if the amount realised by the sale exceeds the amount so due, the balance shall be kept in deposit for one year and any claims for such balance received during that time shall be duly considered by the President. At the expiry of one year, or after all claims received during that period have been duly disposed off, the balance shall be credited to the Municipal funds. No claims shall be admitted after the said period of one year, except by special permission of the Council.

19. The Municipal Council shall not be responsible for deposit room while such goods are being passed into or out of the deposit room or while they remain therein unless such damage is proved to have been caused by the wilful neglect of the deposit room keeper or other person charged with the safe custody of the goods.

20. Any person may, with the sanction of the President be permitted to use any place as of Bonded Warehouse on payment of the cost of such establishment and subject to such conditions as may, in each case, be fixed by the President.

21. *Exemptions*:—In the following cases no octroi shall be levied.—

(1) Goods being *bona fide* property of Government at the time of import and accompanied by an invoice certified by the departmental heads concerned, that the property contained therein belongs to Government, provided they are not to be sold to the public.
